NO BANNERS OR FLAGS AT DEEPPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the grounds, at either first or second team games.

It was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

CLUB NOTES

MODERN APPROACH TO A PROBLEM

A POLICY change in line with modern trends has been made at Deepdale with the appointment of Mr. Robert Seith as team manager responsible for coaching and selection, and the elevation of Mr. Jim Milne to the role of general manager, in which capacity he will have more time to study the potential of recommended players. He will have the overall responsibility for organisation and the club's welfare.

Bobby Seith's qualifications for his new position are excellent. He will have the full confidence and support of the Board and Mr. Milne. He is well remembered as a player in Burnley's Championship side, also in his later association with Dundee as player and coach. He is 35 and, like Jim Milne, hails from Dundee.

He was persuaded to join Rangers as their chief coach, and resigned when the manager-ship of Mr. J. Scott Symon was terminated a month ago. North End promptly got in touch with him, and after some negotiation were able to secure his services. He is keen on coaching and we feel it will be a happy and successful appointment. Mr. George Bargh will continue to coach the younger players.

The first need is to arrest the slump of the first team, which collected 12 points from the first 11 matches by 13 goals to 11, but added only three from the next seven games. These resulted in three draws and four defeats, with only seven goals scored by North End against 20 by the opposition.

CLUB NOTES—continued

Ten of the adverse total came in the last two matches through Blackburn Rovers winning at Deepdale by 5-3 and Middlesbrough beating us at Ayresome Park by 5-0. On the first occasion North End could have lost by a bigger margin, but the second result flattered Middlesbrough. We had our chances and fought harder than the score would suggest, but 'Borough were sharper and better with their finishing.

This missing of good scoring chances has been North End's bugbear throughout the season and is largely the reason for the Club's present unfavourable position in the table. This is one of the things which first must be put right. Of equal importance is the tightening of a defence which has lost 13 goals in the last three matches, this in spite of some excellent goalkeeping.

It is some consolation and encouragement to know that the Reserves have gained three good wins in the same period — by 5-1 against Bolton Wanderers at home, 3-2 at Huddersfield and 2-1 against Liverpool at Deepdale last Saturday. John Preston had the satisfaction of scoring all five goals in the last two matches.

Some surprise was expressed that goalkeeper Alan Kelly, who has been in fine form this season, should let it be known that he intended to seek a transfer. He has been a loyal and efficient North Ender for several years and is highly esteemed. He gave his reason frankly enough. It was simply that he wanted to better himself.

After a talk with Mr. Seith, he withdrew his request so that it was never considered. Mr. Seith subsequently stated that any player requesting a transfer in future will be refused, the club's policy being to add to the staff, not to weaken it. Every effort will be made to carry it out.

SOCCKER FROM THE INSIDE

THE MOST UNUSUAL soccer injury of the season could be the cartilage trouble that put out Walsall goalkeeper Keith Ball. He was playing cards on the club coach when it happened.

He was resting his leg on a card table when the cartilage suddenly slipped out. Manager Ray Shaw has a theory: a sudden jolt of the coach on the road caused it.

THE LEAGUE MANAGEMENT COMMITTEE have fined Torquay United and Mansfield Town ten guineas for playing in stockings which clashed with those of Shrewsbury Town in matches at Shrewsbury on October 25th and October 28th.

UP TO THE END of October the average attendances at all League matches was 15,387 as compared with 14,294 at the same time last year. The number of matches played was 663 as against 657.

OUR VISITORS—*Bristol City*

TO-DAY we welcome as guests a club founded in 1894 as Bristol South End and elected to Division Two of the Football League as Bristol City. Five years later the team achieved promotion, inspired by the extraordinary "Smiler" Wedlock. They spent five seasons in Division One when this England centre half was in his prime.

In the season after being promoted, with 66 points from 38 games, the City were runners-up to Newcastle United for the Championship. Such were the beginnings of a club proud of its traditions and achievements, even though they have had more ups and downs than the majority of clubs and are now struggling in Division Two.

In 1909, Bristol City reached the Cup Final, to be beaten by Manchester United by one goal to nil at Crystal Palace; the "Robins," as they are known were losing semi-finalists to Huddersfield Town (by 2-1) at Stamford Bridge in 1919.

Following is the club's subsequent see-saw between the Second and Third Divisions. —

1920/21	Third in Division II.
1921/22	Relegated to Division III (South).
1922/23	Champions of Division III (South).
1923/24	Relegated to Division III (South).
1926/27	Champions of Division III (South).
1932/33	Relegated to Division III (South).
1954/55	Promoted to Division II equalling the record number of points (70) from 46 Third Division matches.
1959/60	Relegated to Division III.
1964/65	Promoted to Division II.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that **FULL USE SHOULD BE MADE OF THE CAR PARKS WHICH ARE PROVIDED.**

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will **AVOID BEING PROSECUTED** for inconsiderate use of the highway.

YOUNG SUPPORTERS WARNED

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators have come on to the pitch during matches. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
